I didn't. Here's the breakdown:

Lower Columbia and Lower Snake (8)

Cowlitz
Warm Springs
Grand Ronde
Umatilla
Nez Perce

Grand Coulee (1)

Kalispel
Spokane

Probably for simplicity I should've included all the permits, since Yakama and other tribes are probably also interested in the Grand Coulee.

Had we not offered consultation with the Yakama on the Grand Coulee permit? I think I missed this detail.

See the shortened version of the letter to Yakama Nation for your and Mike's reviews. I'll have the letter to Heather ready for you to sign tomorrow, Dan.

Thanks, Jenny. And pending any input from Mike, can we conform the letter to the Tribe with respect to shortening the reference to the permits.

Mike/Jenny – I took a shot at shortening/simplifying. I thought we could get away from continually listing the permits by name, for instance. Please let me know what you think, especially if I have now removed something critical. Thanks.

Mike, here's what I drafted for your and Dan's review before sending off to HQ. I'll draft something for Yakama Nation for you to look at later today.

Hi Jenny, Dan asked us to respond to Ecology's letter. Primarily since it is a state/tribal request and automatically goes in the controlled correspondence process. A reporter asked for our response today and that reminded Dan that we should get a letter to WA.

Could you draft a short response? Dan said to have it follow the press statement that HQ has approved. We will run this response through HQ before sending. Thanks - Mike
